18+ Little State 2022 – August 12th – 14th

We are looking forward to your visit to Corpus Christi. **Please remind all your players to bring their own water jugs and fill them up at their hotel with plenty of ICE as some of the sites may not have water on the courts.** There will be fruit at the sites and restroom facilities. Also, PLEASE DO NOT BRING any food such as sandwiches, fast food or large coolers on the property of the Private Clubs. There is no outside alcohol allowed at ANY of our facilities. You may bring a water jug and snacks on-court such as energy bars and fruit. Please help us with these requests so we can continue to use the private facilities in the future for this event. You may go to your cars in the parking lots if you have large coolers to get your refreshments. Beer and alcohol consumption is not permitted at public tennis centers, university or clubs.

Little State is a Sanctioned USTA tournament and all matches will count towards year end ratings.

******Please have your team ready to play at the time of your scheduled match, not just arriving and getting ready. This will really help us keep everything on schedule for the day. Your help with this is truly appreciated. Keeping the warmup to 5 minutes and minimize breaks when switching sides.**

When matches are complete, each player needs to go and turn in the score immediately. Cool down and a re-hash of the match need to be done after scores are turned in.
